

## Szczecin

**Szczecin** is a city in north-western Poland with more than 420 thousand inhabitants (7th largest city in Poland). Cars registered in Szczecin have registration plates ZS.

## Hitchhiking out

[See full map](#)

### West towards Berlin (Germany)

- By motorway A6 > autobahn 11 (E28), from petrol station

From bus stop *Plac Zwycięstwa* which is close to *Brama Portowa* take bus 81 (only those ones with letter 'b' on the timetable) and go to *Koźbaskowo*. Another option is getting a bus from central bus station in Szczecin (about 10 buses a day, beside Sundays). In Koźbaskowo there are petrol stations on both sides of the motorway in walking distance. Ask people how to get there. Saying "autostop... Berlin... stacya benzynowa" should be enough.

### North and northeast towards Winioujcie and Koszalin, Gdańsk

- By expressway S3 (E65) / national road 6 (E28), from slip road

From city centre e.g. from *Brama Portowa* take tram 7 or 8 and get off at the last stop called *Basen Górniczy*. From there take bus 79 or 73(Z) and get off at *Zwierzyniecka*. Ask people or driver where to get off as buses don't stop on every stop until you press the stop button. Saying "autostop autostrada" should be enough. Next stop is 3km further away! From bus stop *Zwierzyniecka* go straight uphill for about 500m till you get to the junction with motorway A6 / expressway S3 and national road 10. Cross the motorway on the bridge and turn right to slip road where you can find little lay-by. Make a sign.

### South and southeast towards Gorzów Wielkopolski, Zielona Góra, Wrocław and Poznań

- By expressway S3 (E65), from bus stop or sliproad

This spot is just before the place for hitching in the direction of Koszalin, so check it for more details. Once you get to *Zwierzyniecka* bus stop you can hitch from there or walk up 500m till the motorway entrance. Make a sign.

### East towards Stargard Szczeciński, Bydgoszcz, Warszawa

- By national road 10, from bus stop

This spot is located very close to the spot in the direction Warszawa. In this case if you take bus 79 get off at bus stop *Balińskiego n.*, which is the first one behind motorway, next to Lotos petrol station. Walk straight to the crossroad and behind it turn left, go for about 300m to the bus stop *Unikon*. This is the spot. If you take bus 73(Z) you can get off exactly at the bus stop *Unikon*.

## Public Transport

There is a good [website](#) showing you how to get from one point to another by public transport in major Polish cities (in Polish and English).
